

## Mrs Campbell's Artwork of the Week -Wk7

**The Cat with the Red Fish**

**A painting by Henri Matisse**

**1914**

### **Look out for-**

Matisse's use of **bright colours**, and his bold use of **shapes** and **patterns**. He painted colours that created **moods** or **feelings** in his artwork rather than their real colours.

You can learn more about Matisse by watching "**Matisse the King of Colour**" (P1-7)

## Art Challenge

Matisse loved his pets. Perhaps you could try **painting or drawing** a picture of your **pet** or favourite animal using **bright colours and patterns**.

When he was an old man, Matisse did lots of “drawing with scissors”, perhaps you could cut out shapes from different coloured paper and make your own collages like him.
